

Press Release

Date: 26th February 2009
Location: Northampton, UK.

Antivor joins Irisys iConnect Partner Program as 'Premier Solutions Partner'.

Irisys are pleased to announce that Russian EAS systems supplier Antivor, (www.antivor.ru) has joined the iConnect Partner Program as a 'Premier Solutions Partner'. Antivor has a well established, and effective distribution network in the Russian and Ukrainian areas, and have added a People Counting capability, based on Irisys' detectors to their EAS system offerings.

Tony Carpenter, Irisys' Sales Manager added; "Irisys are very pleased to see Antivor join our partner program. Antivor has an unmatched coverage of the Russian region, and our People Counting capability adds very well into their existing product portfolio".

About Antivor

Antivor is the biggest Russian supplier of EAS equipment and people counting systems, with a customer base of 23000 clients, in 270 Russian and Ukrainian cities.

Today Antivor has:

- More than 750 employees in 38 Antivor owned offices.
- More than 200 engineers who provide service.
- Antivor is the only company in Russia that has its own testing laboratory, which employs professors and degree qualified engineers.

Antivor work all over Russia and the Ukraine using direct sales from their own offices, without using any dealers and resellers. This guarantees that Antivor's clients get the best customer service and high quality support

АНТИвор крупнейшая компания, работающая более 12 лет на рынках систем подсчета посетителей и противокражного оборудования. На сегодняшний день компании АНТИвор отдали предпочтение более 23 000 клиентов из 670 городов России и Украины.

В настоящее время АНТИвор:

- это более чем 750 сотрудников, работающих в 38 офисах
- более чем 200 инженеров, обеспечивающих лучшую техническую поддержку заказчиков
- единственная компания на Российском рынке, имеющая в своем составе тестовую лабораторию, в штате которой работают профессора и обладатели ученых степеней в области радиоэлектроники;

Компания АНТИвор работает по всей России и Украине в формате прямых продаж, без дилеров и перепродавцов, что позволяет гарантировать нашим клиентам лучшие условия сотрудничества, сервис и поддержку высочайшего качества.
